

About Us

Miles Holidays Pvt. Ltd. is a family-owned boutique travel and event company catering to HNIs in India, Singapore, Dubai, UK, US, Germany and Kenya. Since its inception in 2004, we have planned unique trips globally for our uber clientele such as whale expeditions in Maldives, gaming at Maasai Mara, truffle hunting in San Miniato, glacier hiking in Iceland and more.

With us travellers get access to **18+ years of travel expertise** and dedicated service to support them every step of the way. We give them end to end services, taking care of flights, hotel bookings, tailored trips, transfers, visas and other travel related needs.

Our bank of seasoned travellers are always thirsty for new experiences and we work very hard to get the right fit itineraries for them. Our small but passionate team of 12 keeps finding new ways to enhance experiences for our clients.

Our company motto is *Service First*. We believe in delivering more than expected and work with a never say no attitude. Due to this most of our clients become repeat customers, as well as good friends.

The hand holding quotient, personalised attention, after sales service and excellent personal relations are few things which set us apart from other agencies. We believe in doing the right thing, this mantra has earned us the loyalty of our clients and goodwill in the travel industry.
